“Microphones”

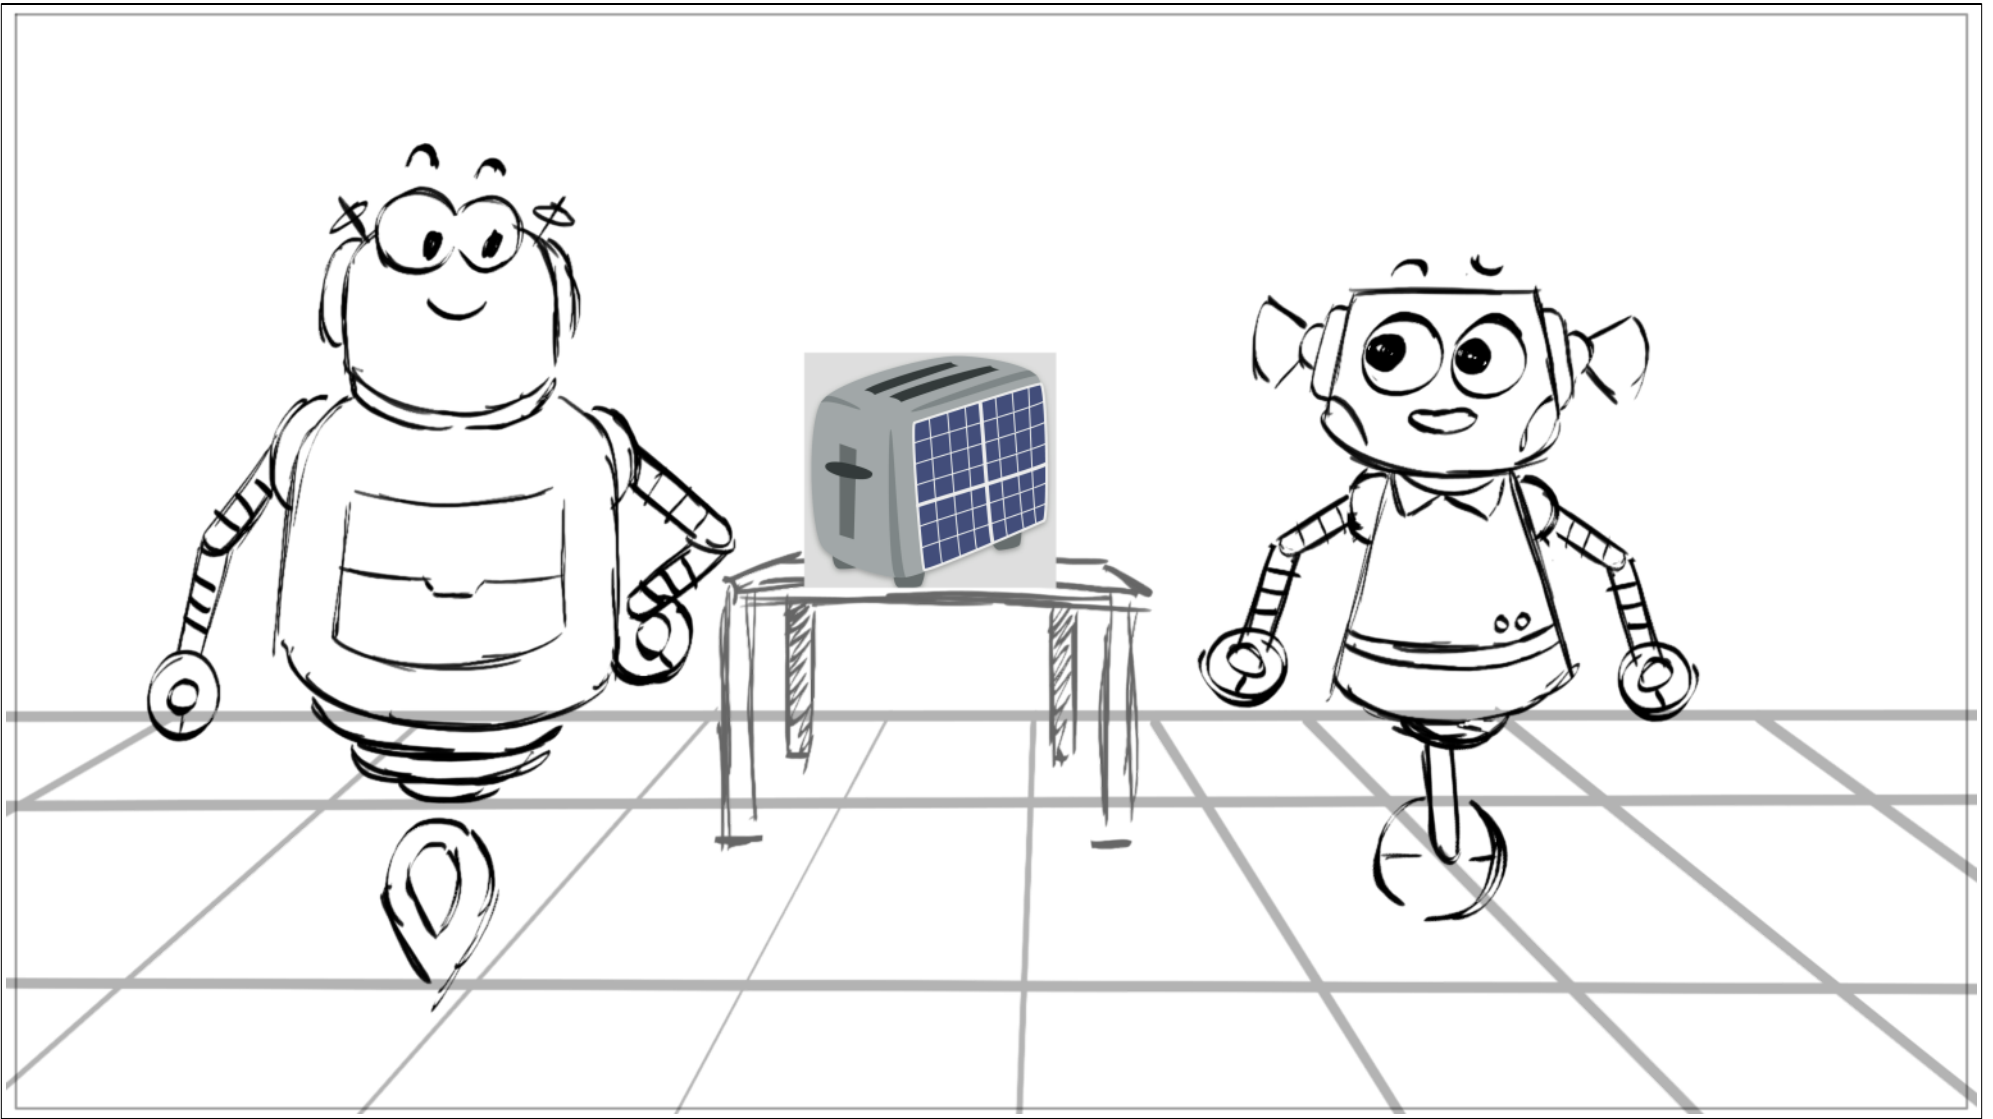

Dialog

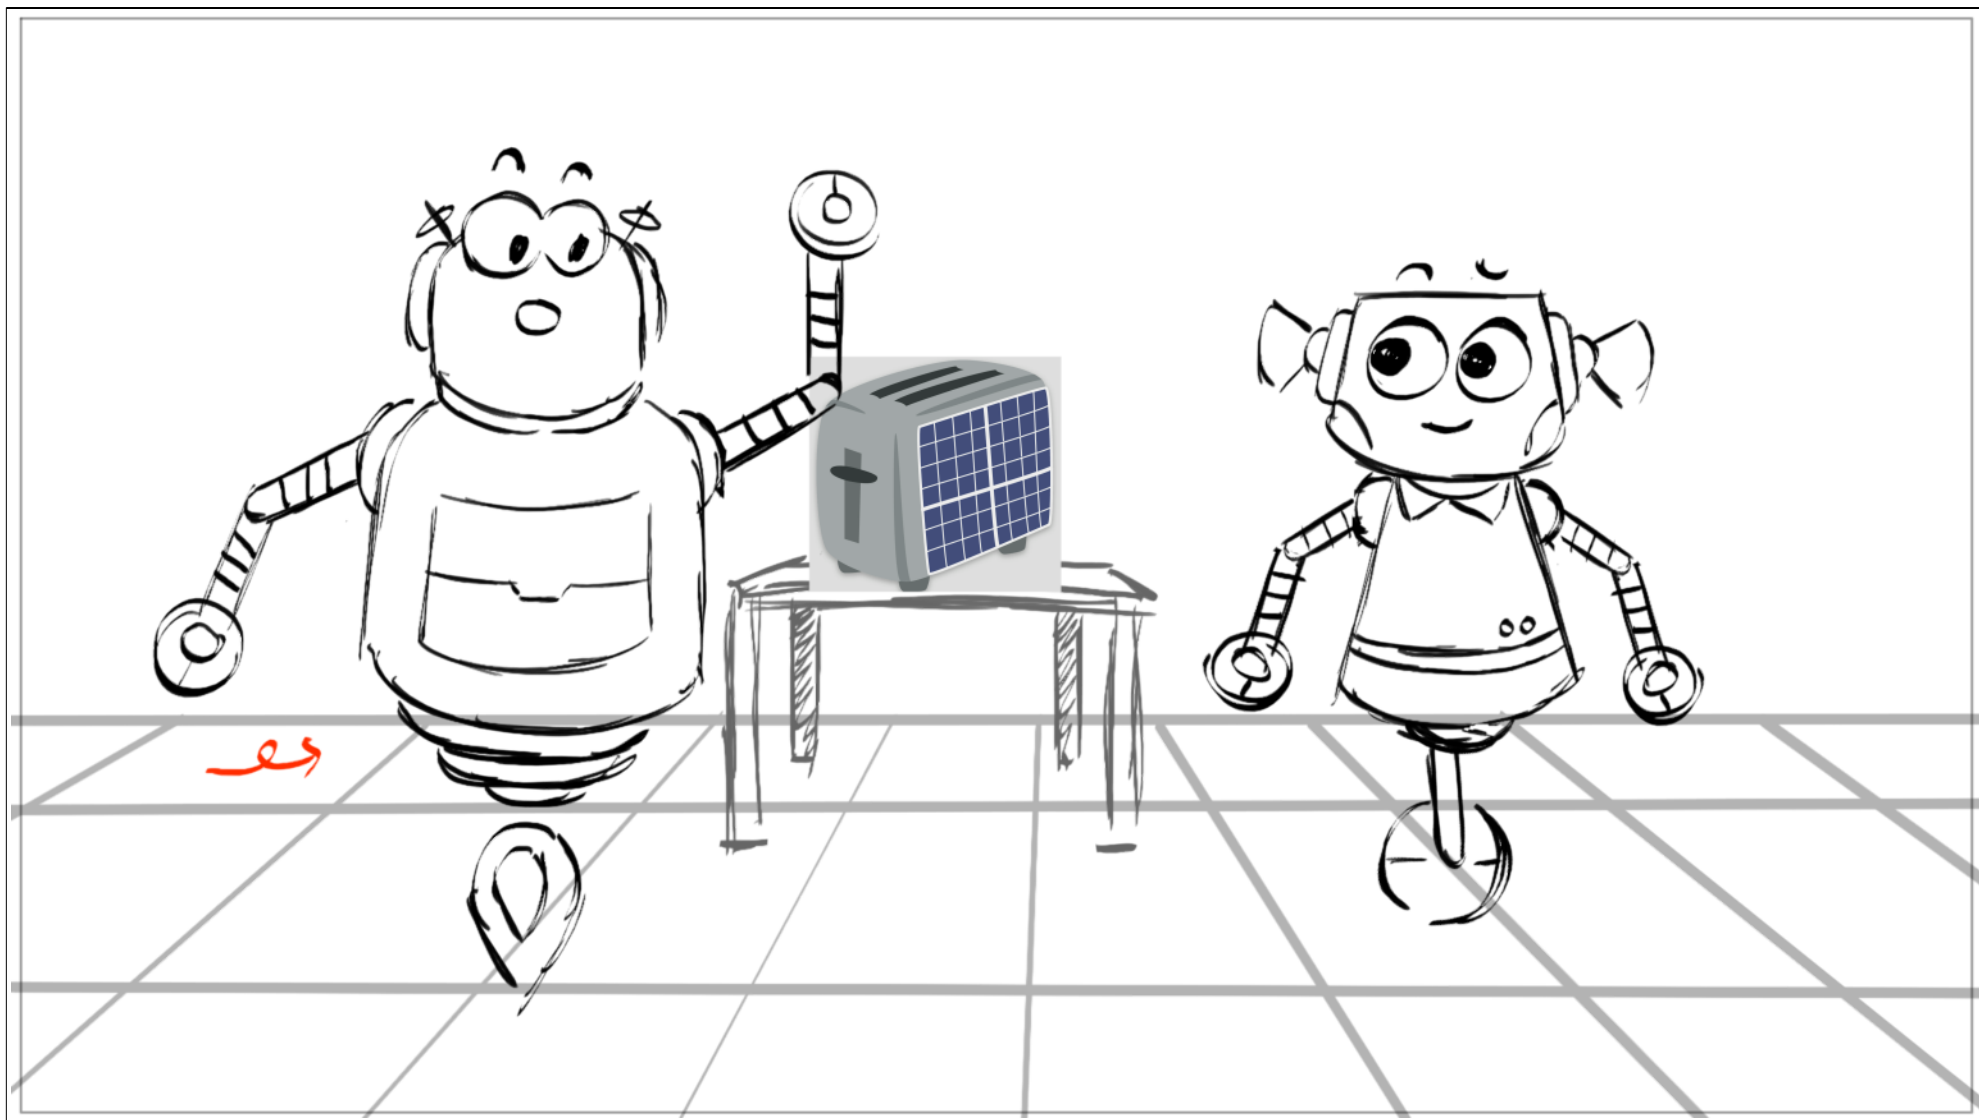

Penelope: Hi Billy!

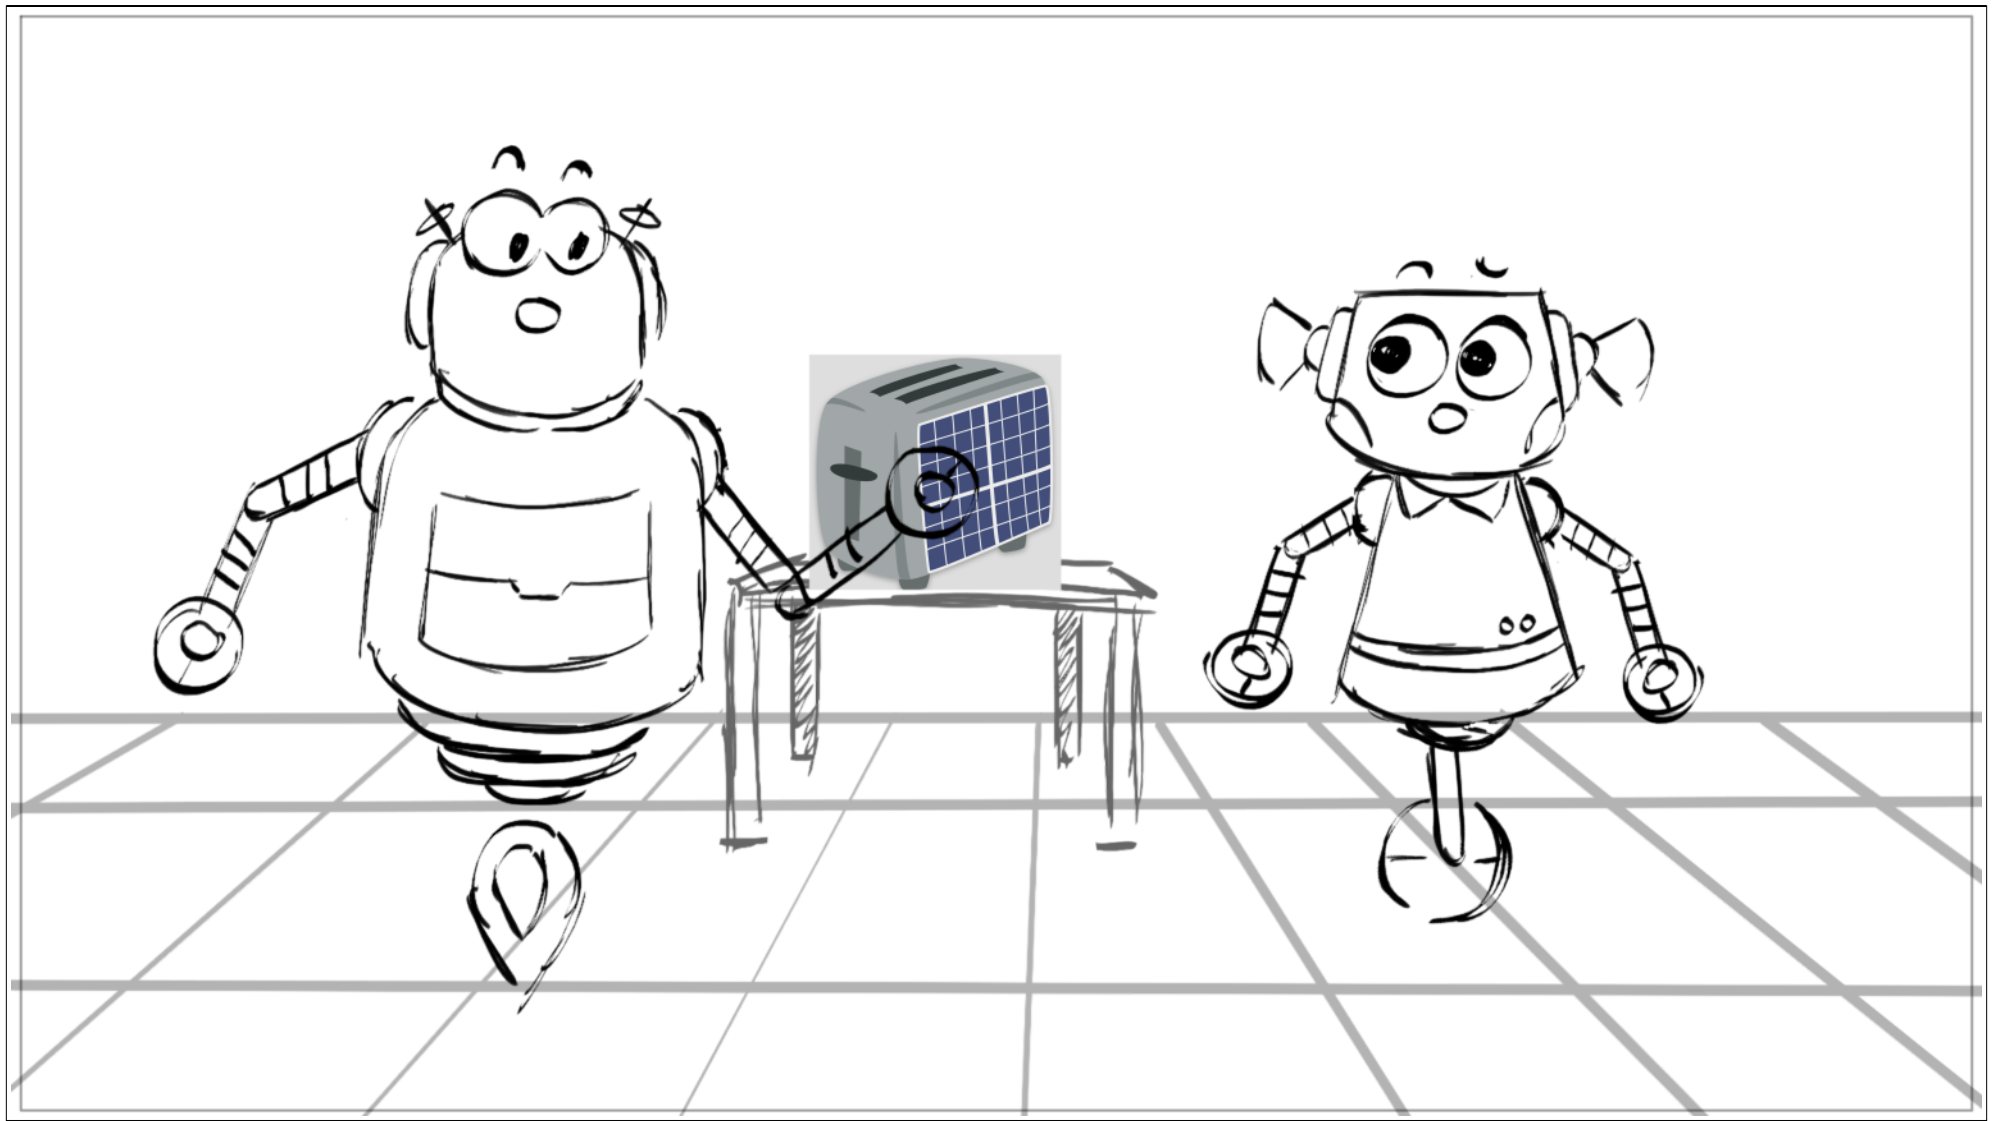

Dialog

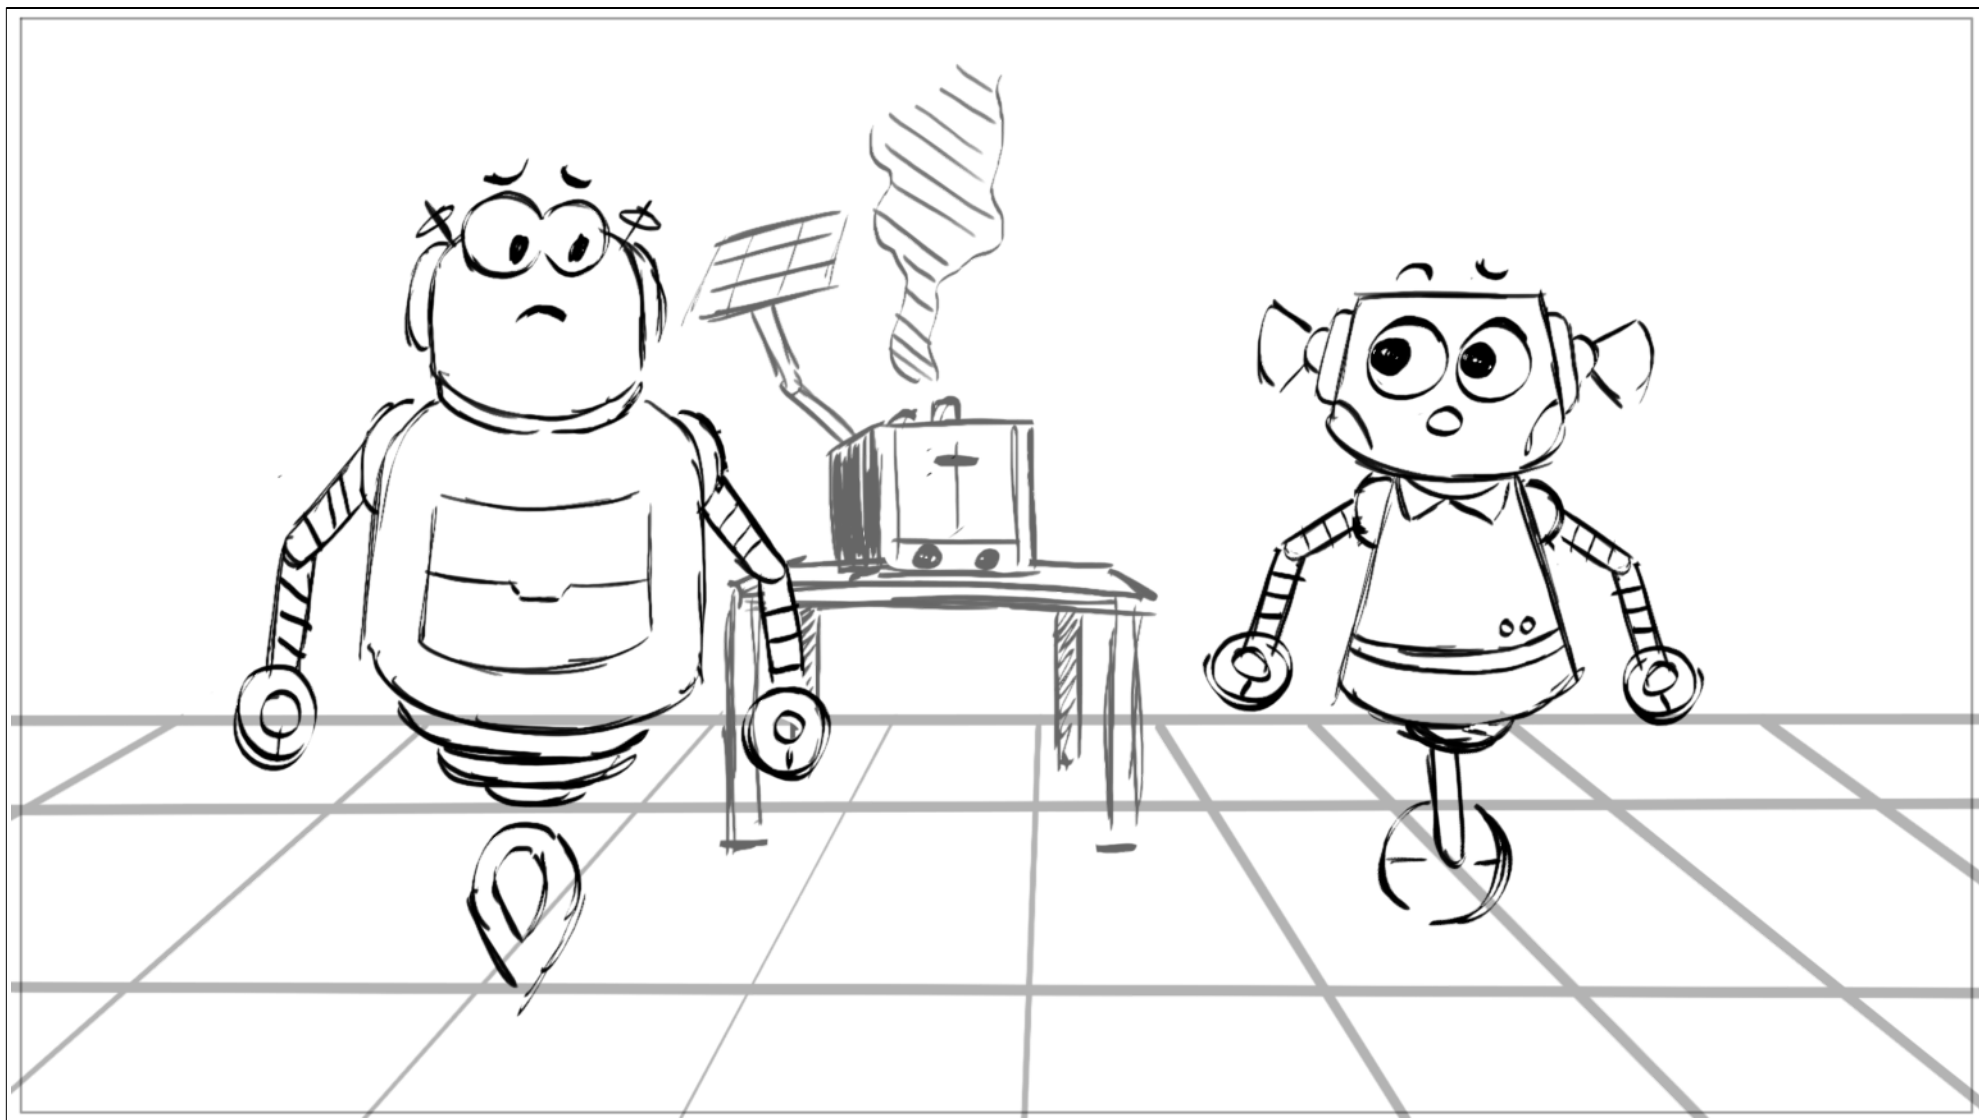

Hey, what's that smell?

Dialog

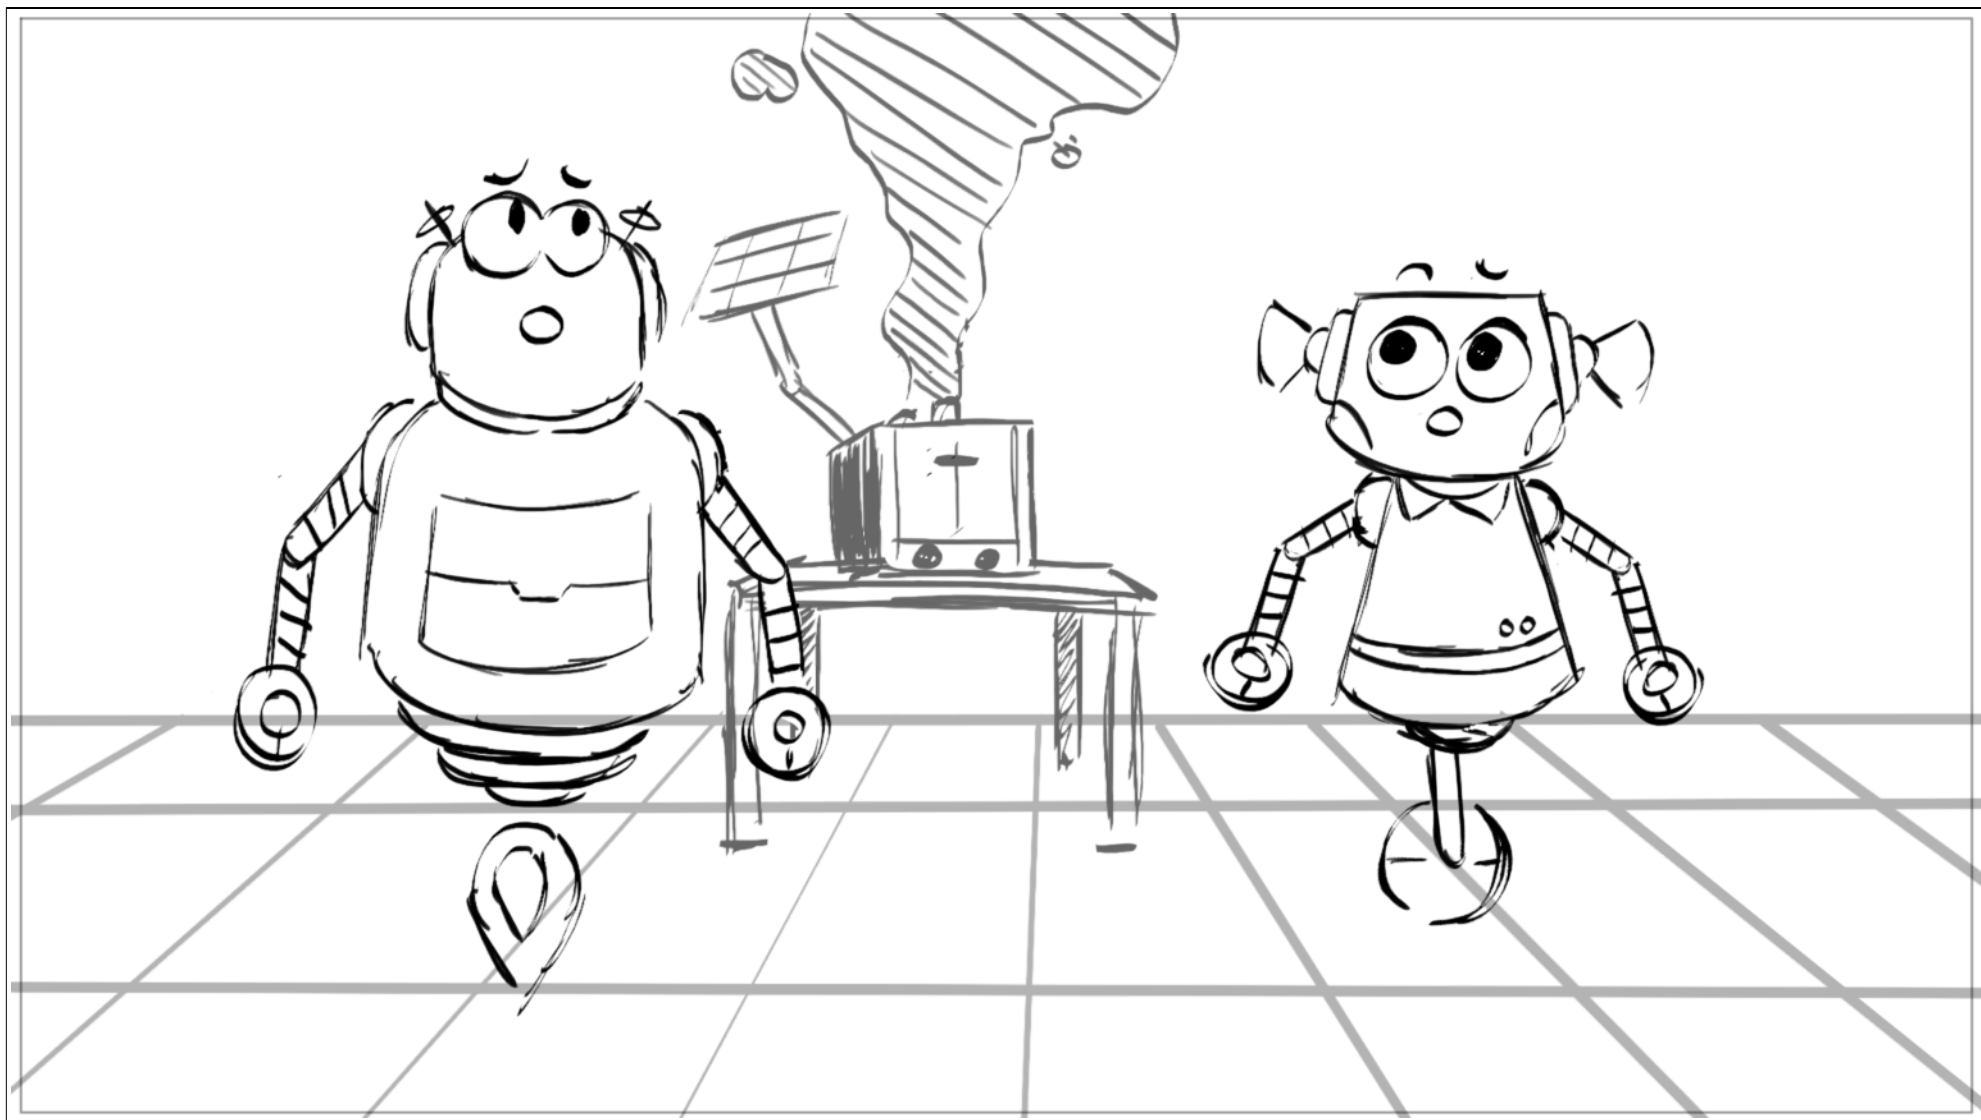

Billy: Uh-oh, I think my toast is burning!

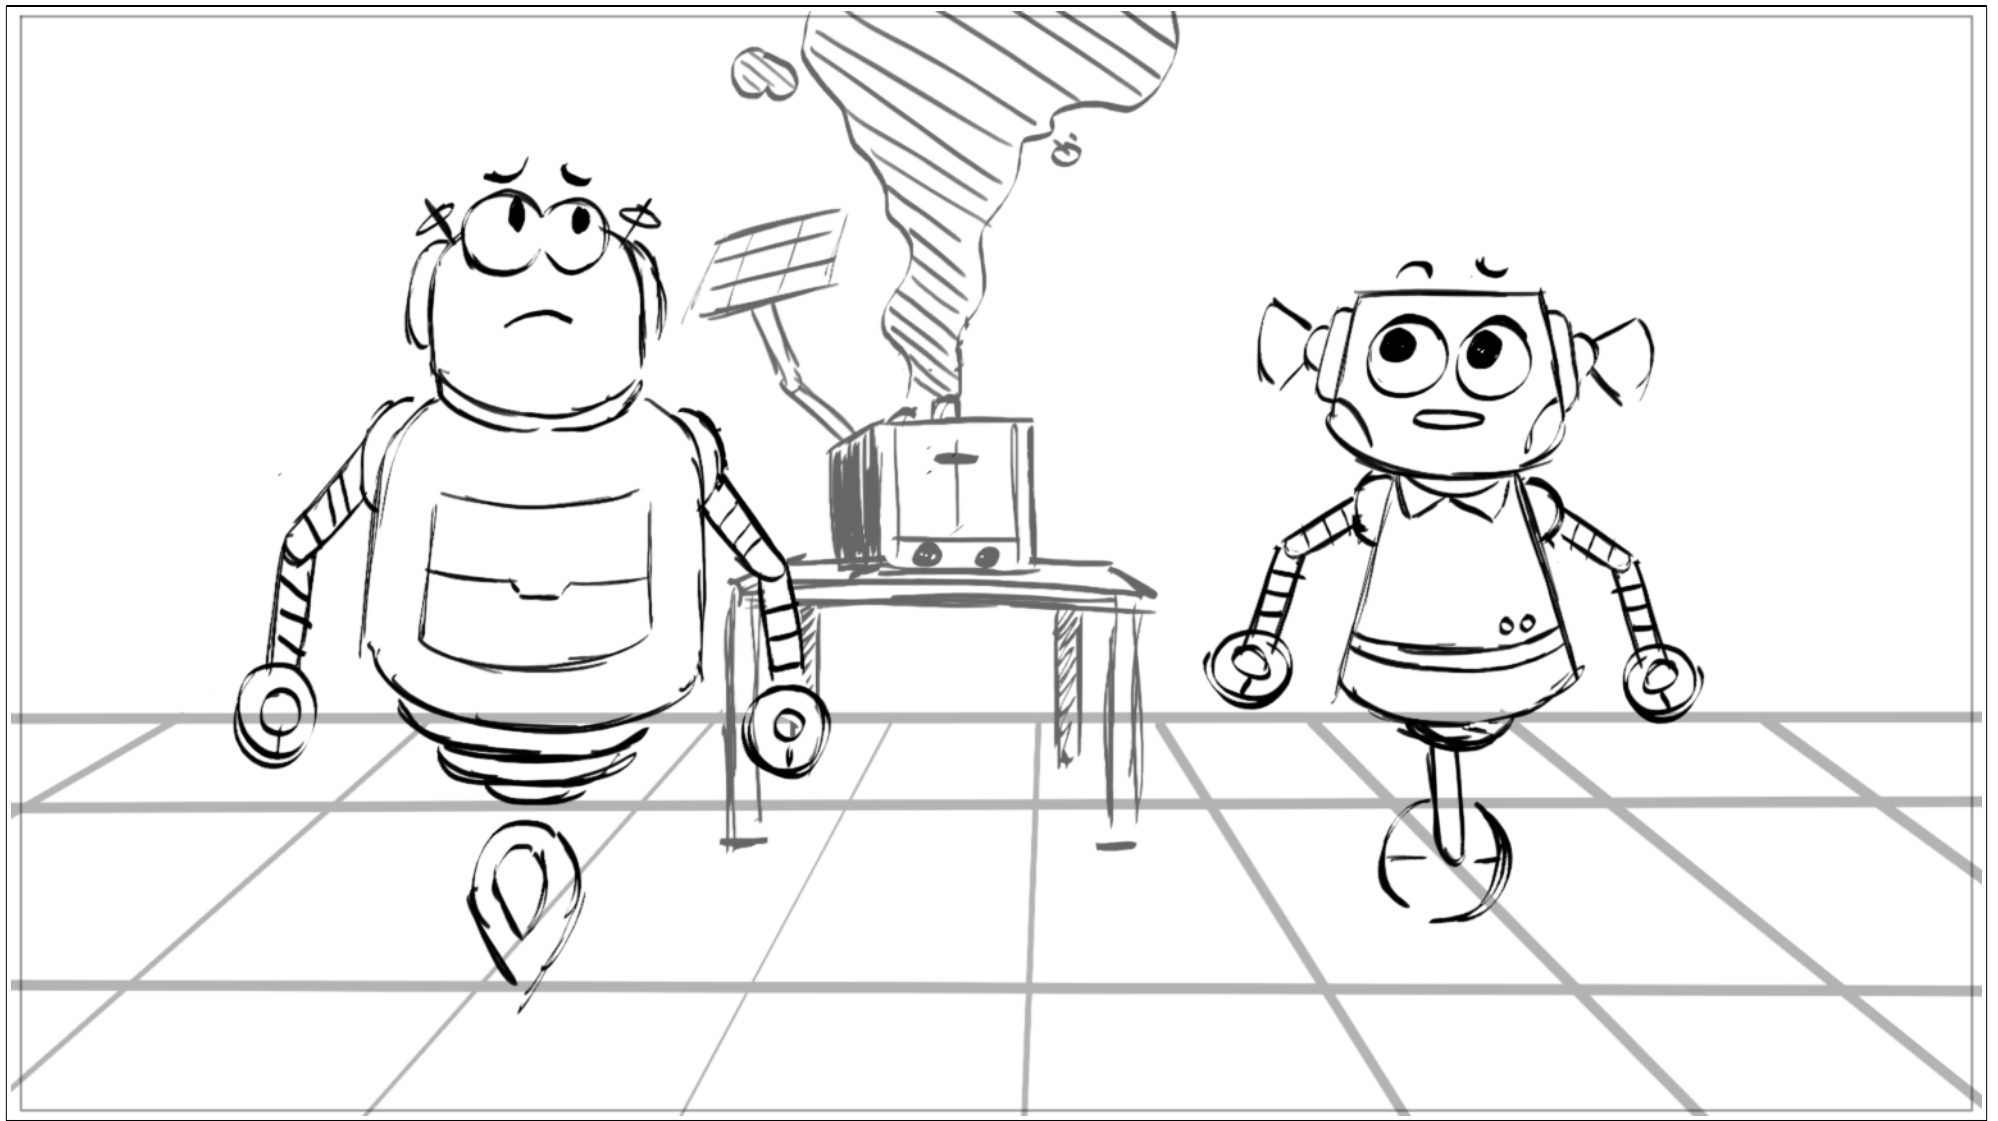

Dialog

SFX: \*Alarm sound\*

Dialog

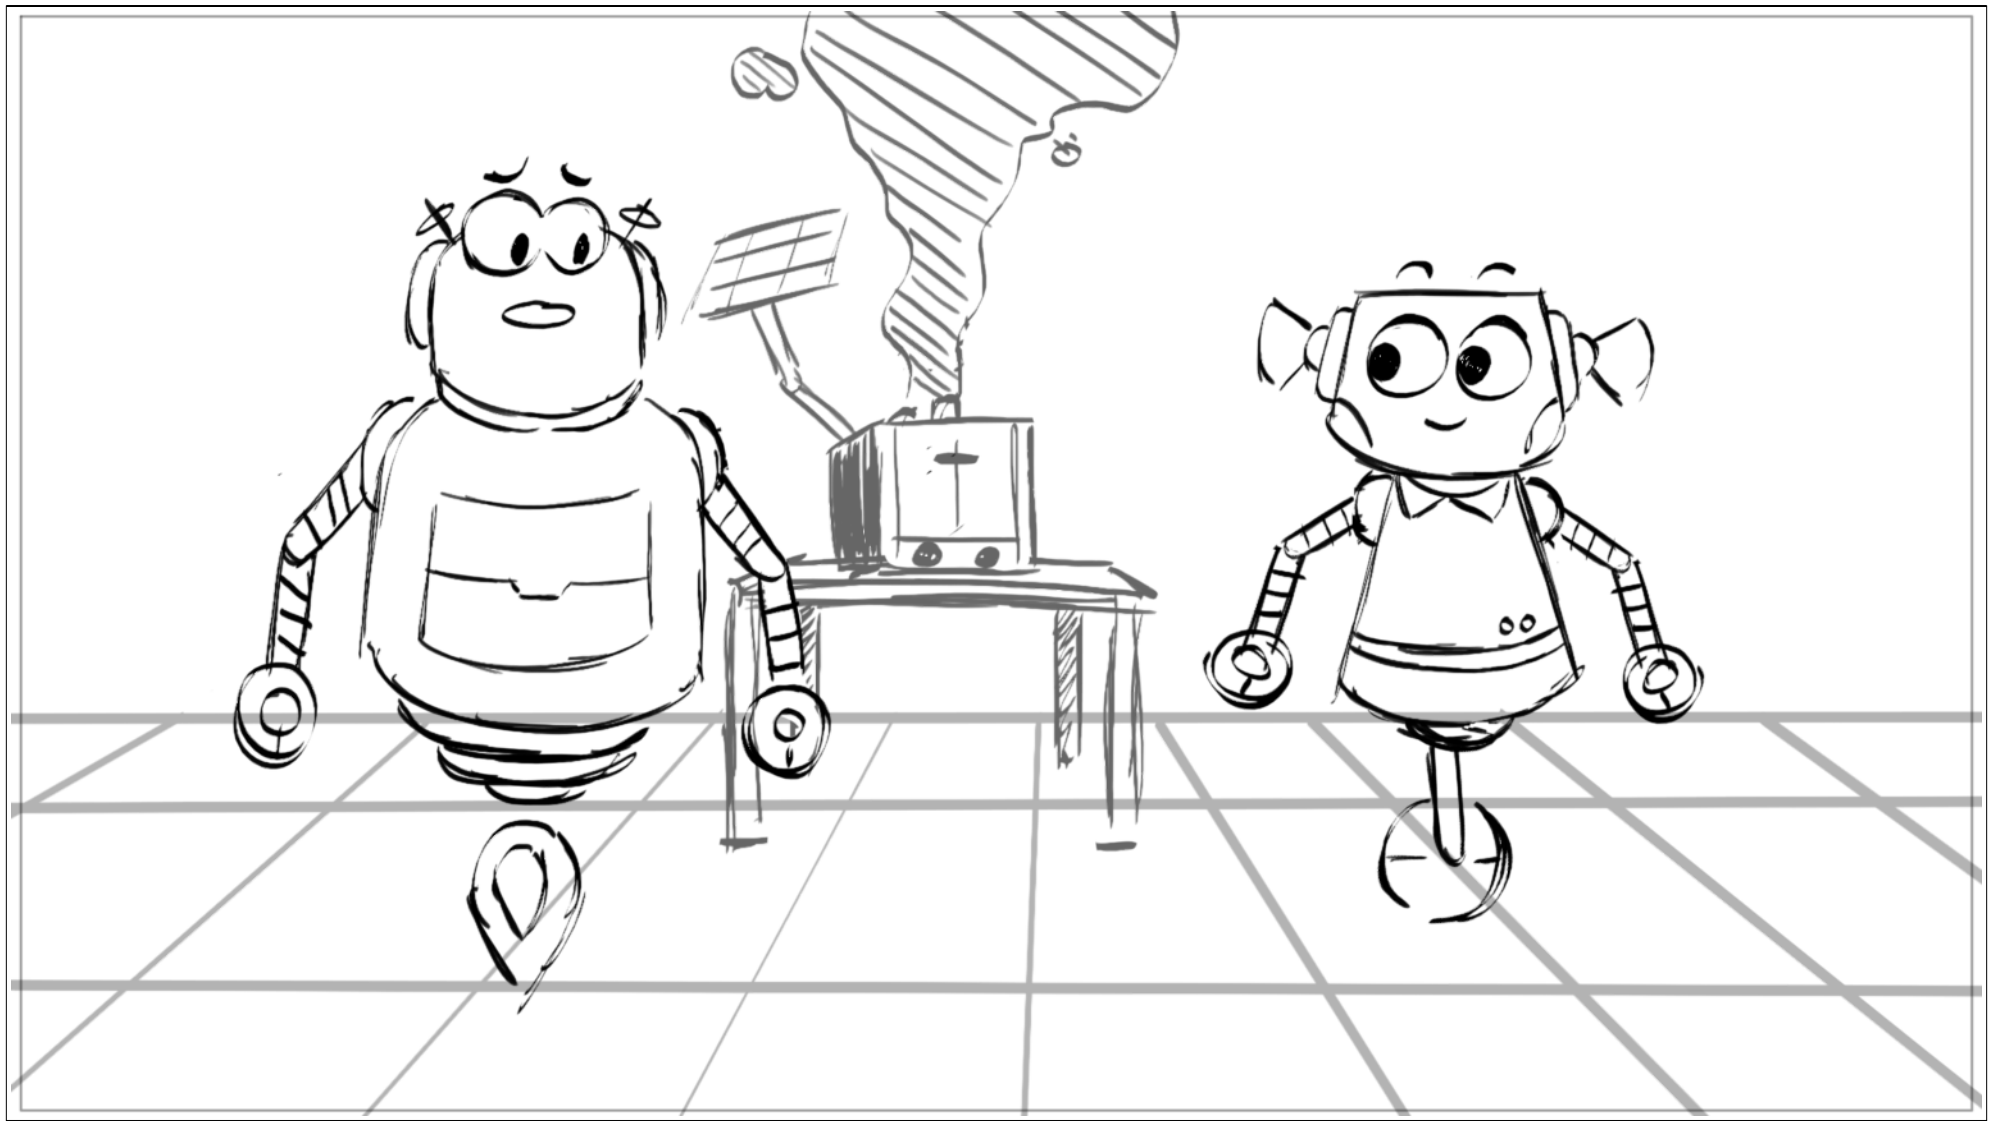

Billy: Hey, what's that?

Dialog

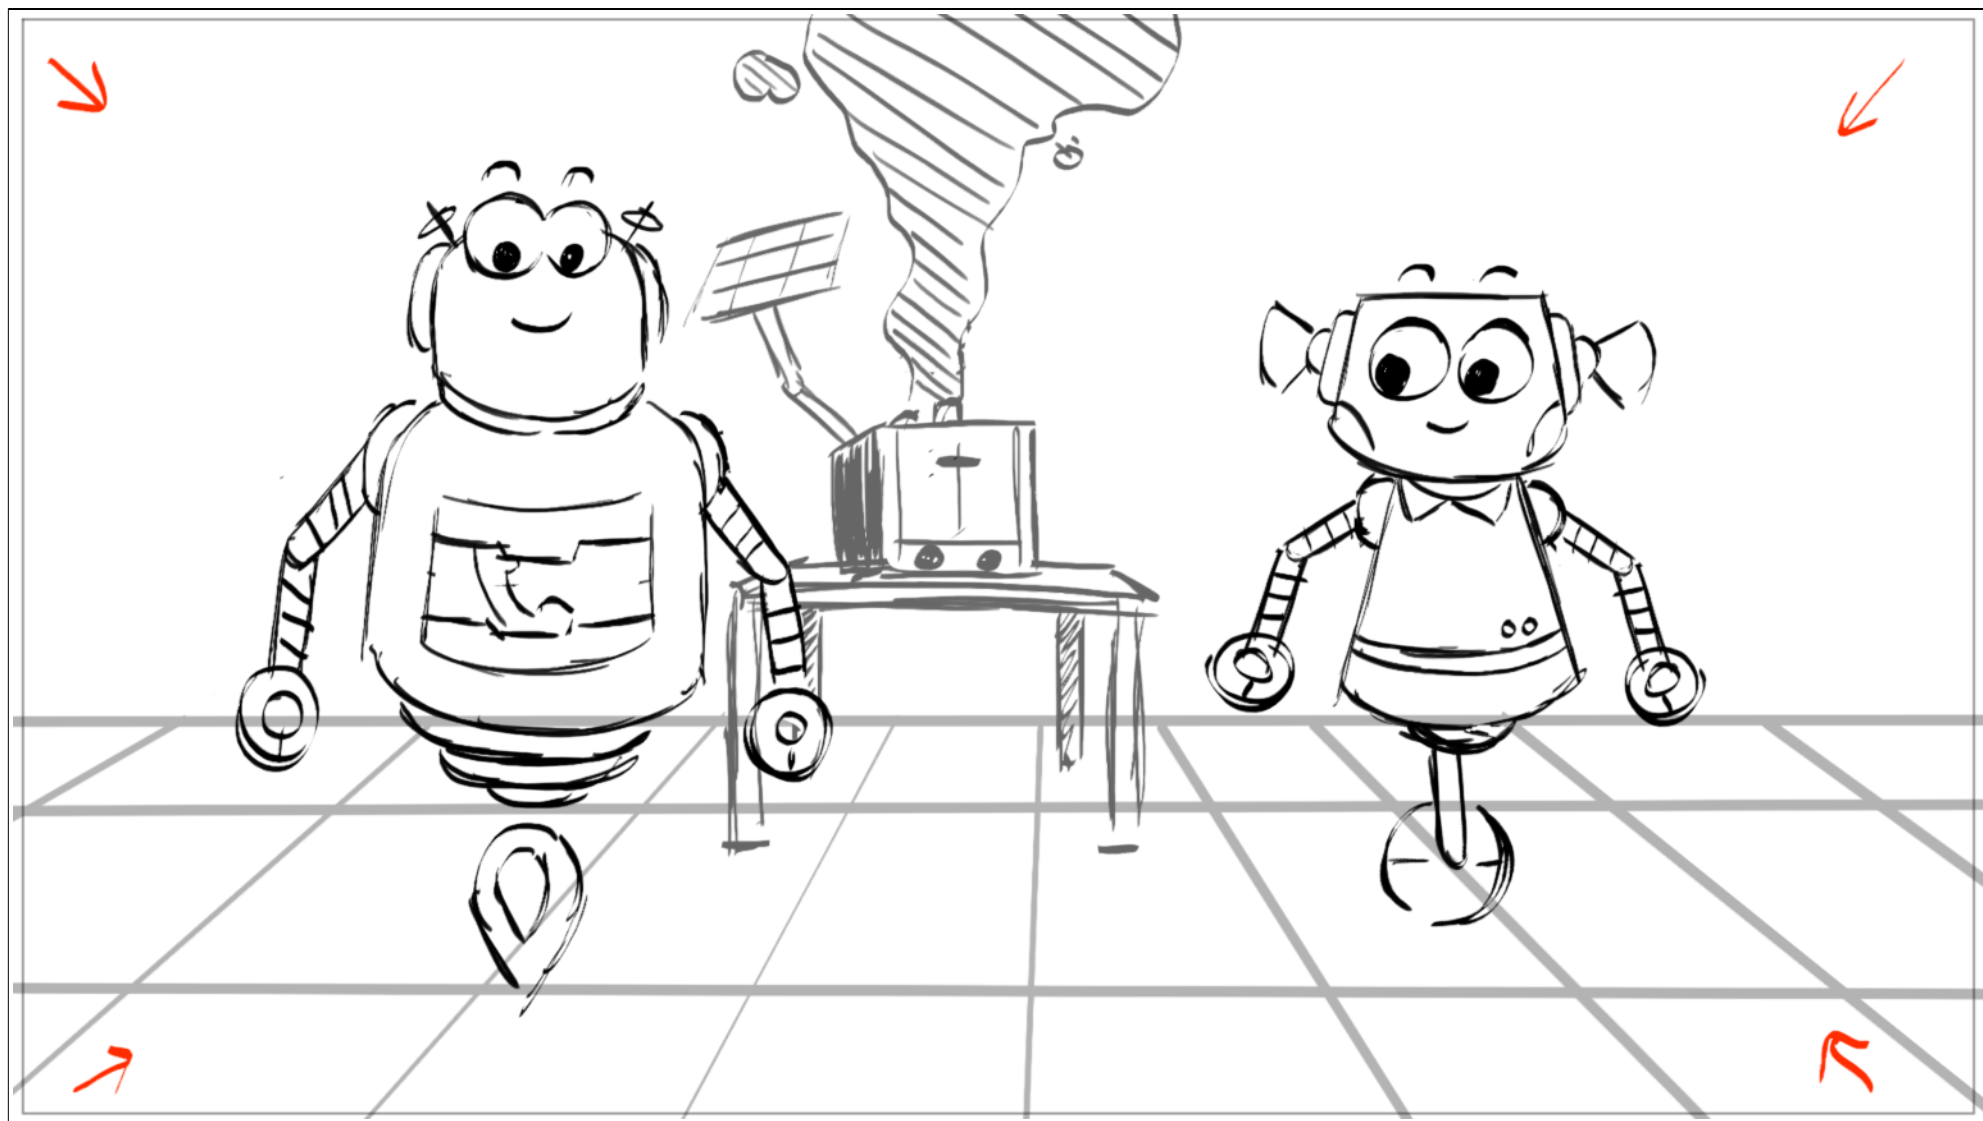

Penelope: I think that's the smoke detector. It must be beeping because of your burnt toast!

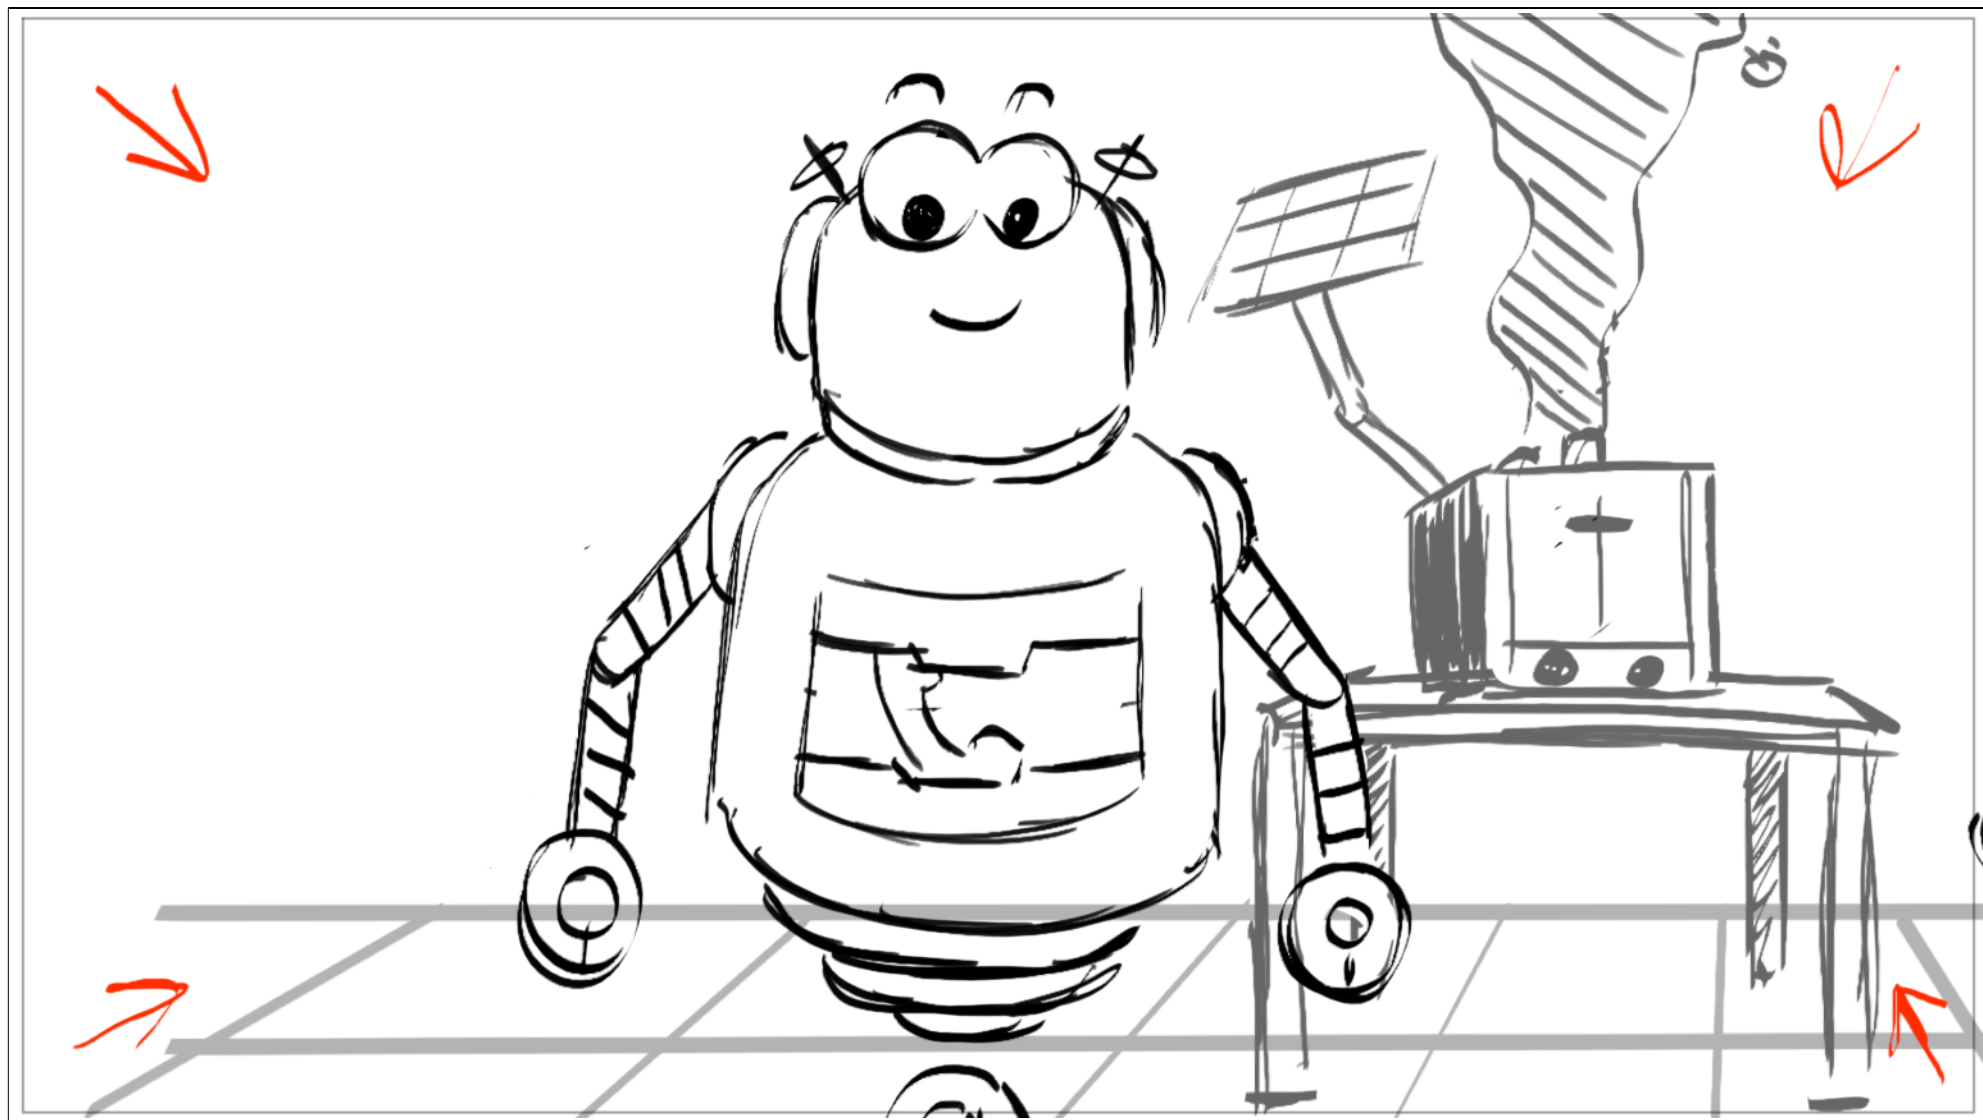

Dialog

Billy: I think we should learn more about that. Let's call CORPS MEMBER from the Ball State Digital Corps to learn more about it.

Dialog

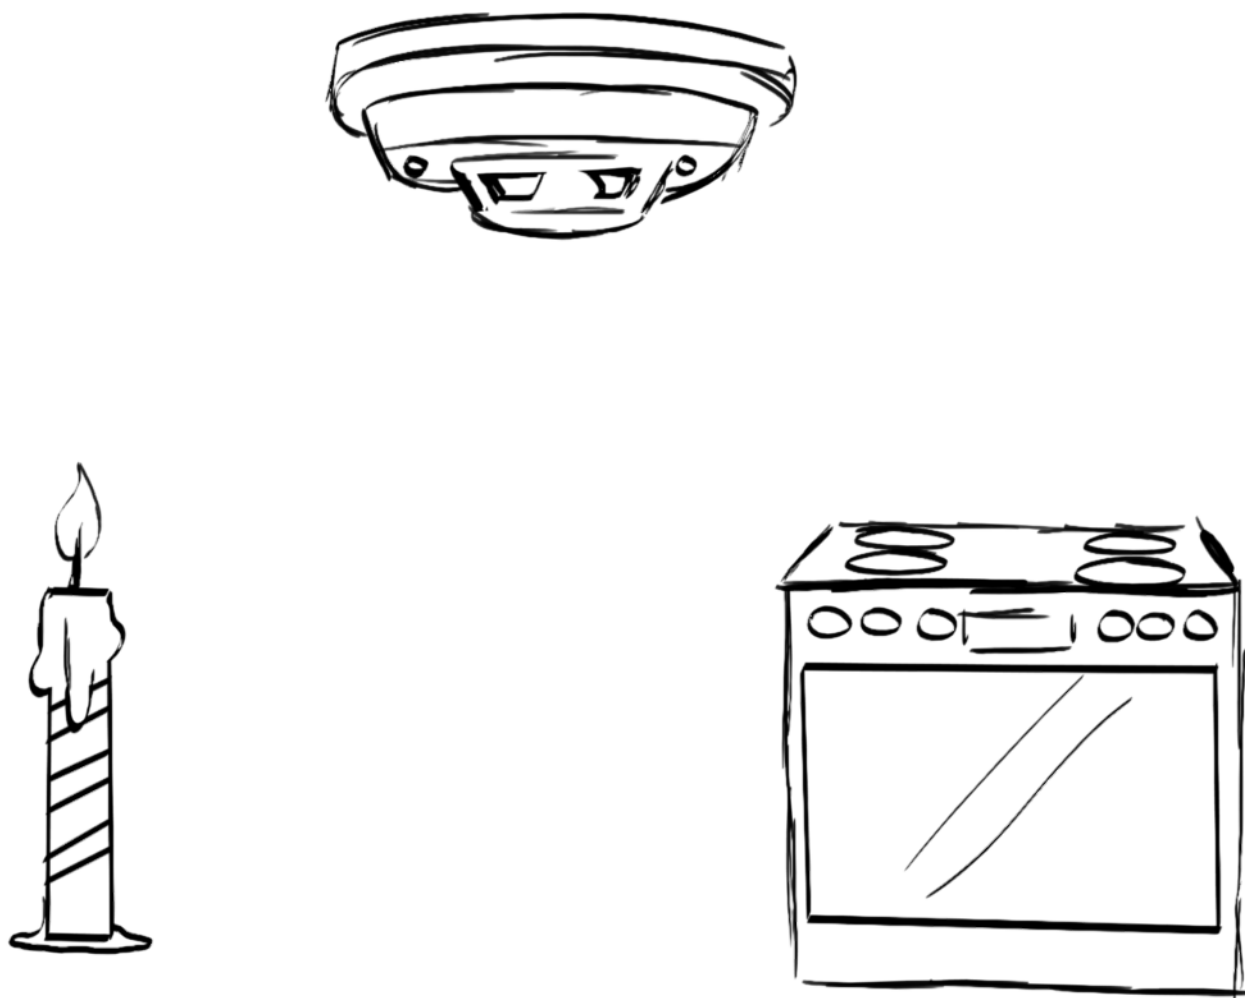

EMPLOYEE: Hi Billy! Hi Penelope! Penelope is right, that beeping noise is coming from your smoke detector.

Dialog

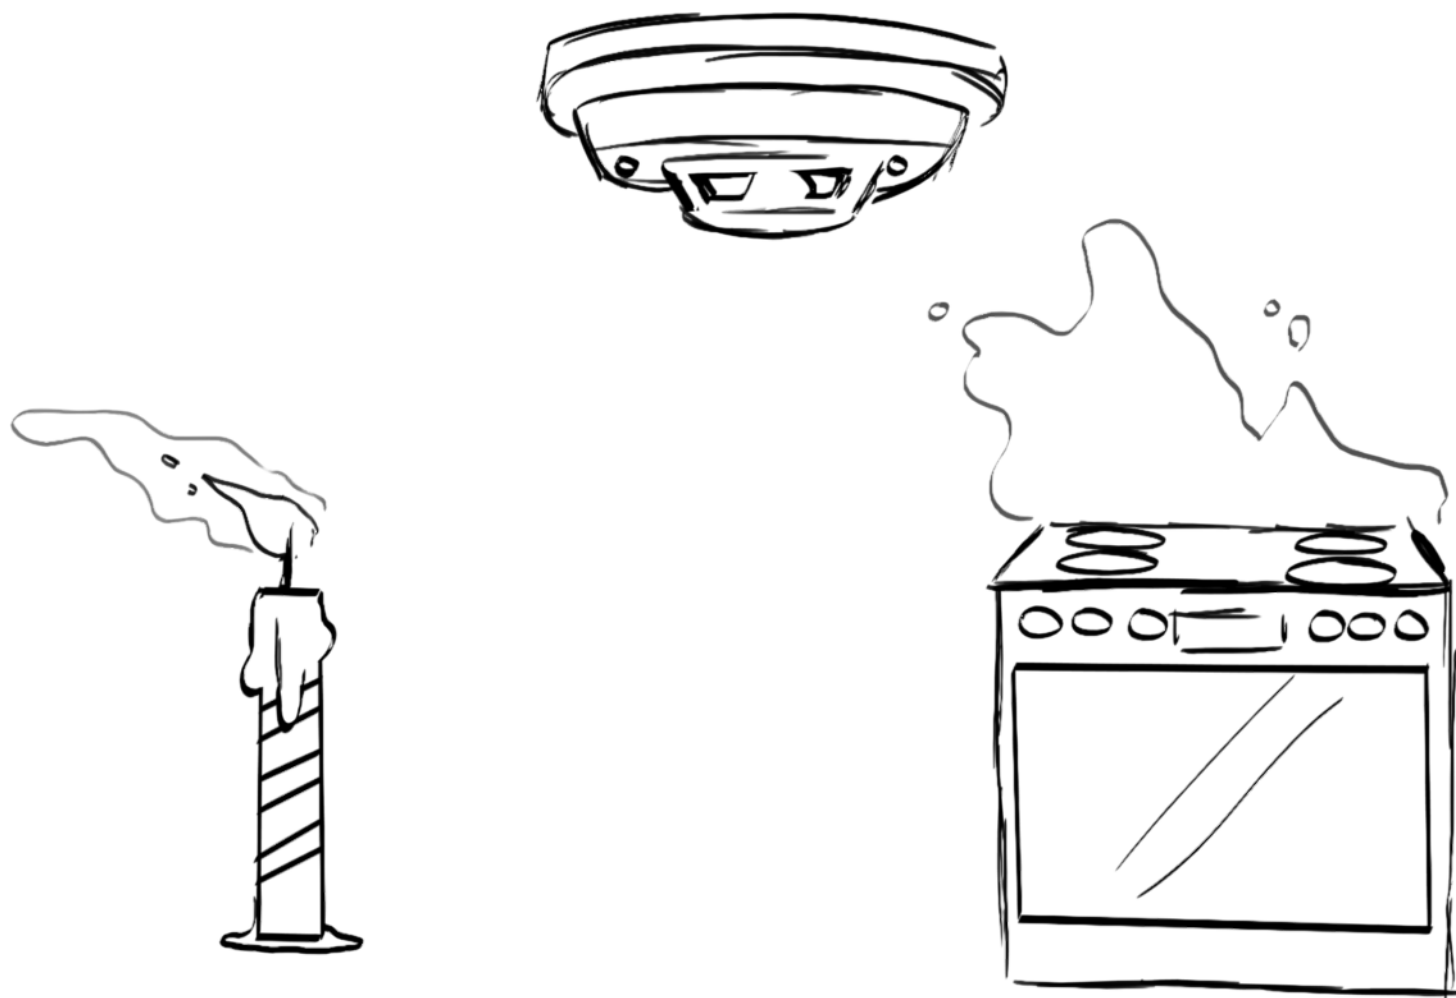

It's beeping because of the smoke from your burnt toast. Smoke detectors can detect even a little bit of smoke.

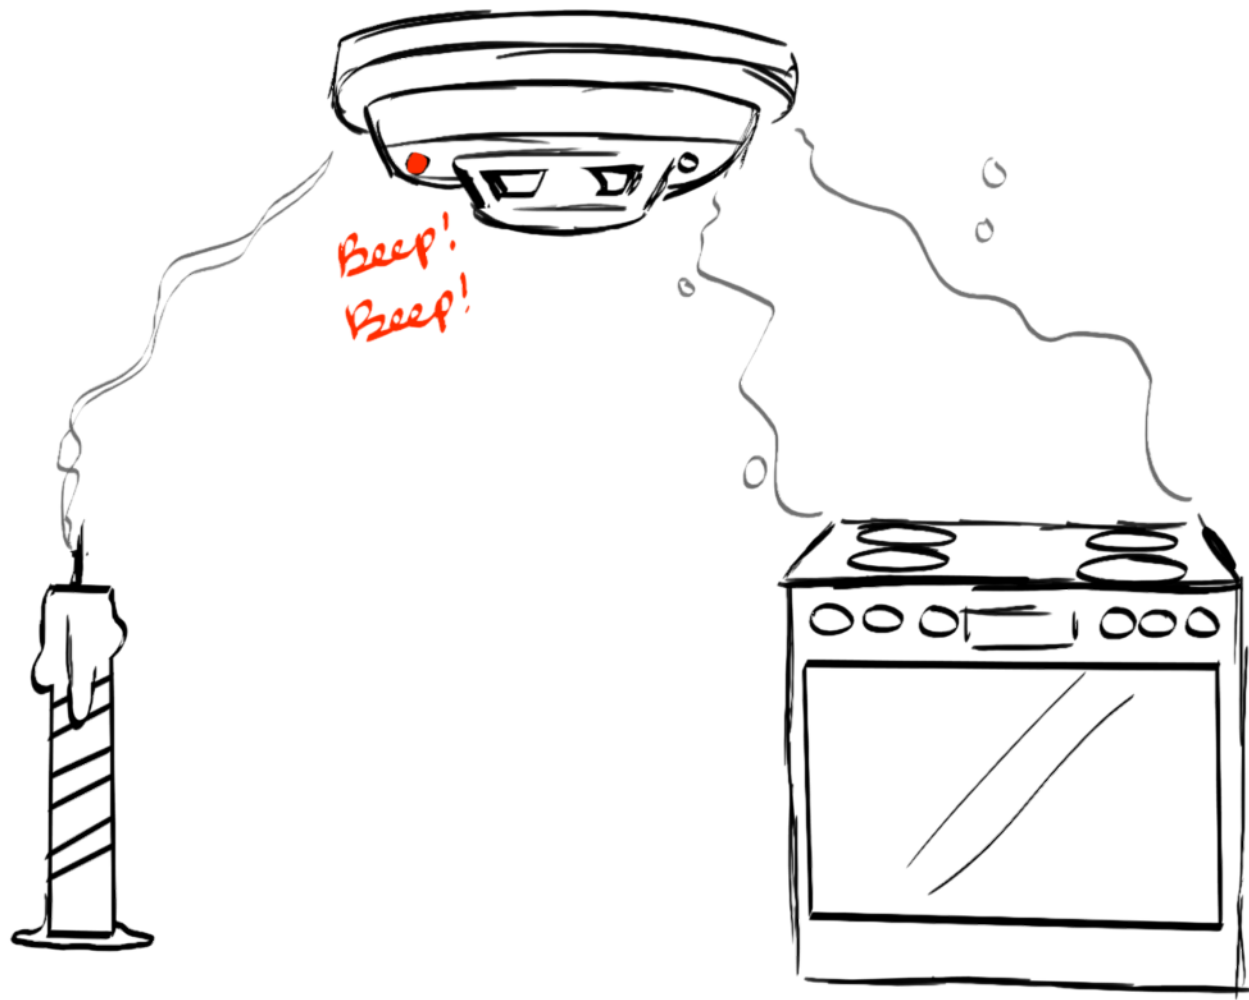

Dialog

It could beep when you blow out candles, or burn something in the oven.

Dialog

It could beep when you blow out candles, or burn something in the oven.

Dialog

It could beep when you blow out candles, or burn something in the oven.

Dialog

EMPLOYEE: Smoke detectors are made to keep you safe in case there's really a fire, not just burning toast.

#### Dialog

It helps you by letting you know as fast as possible that there might be danger. The best thing to do is ask a grown-up what you should do if you hear a smoke detector.

FIRE SAFETY PLAN:

<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____
<input type="checkbox"/>	_____

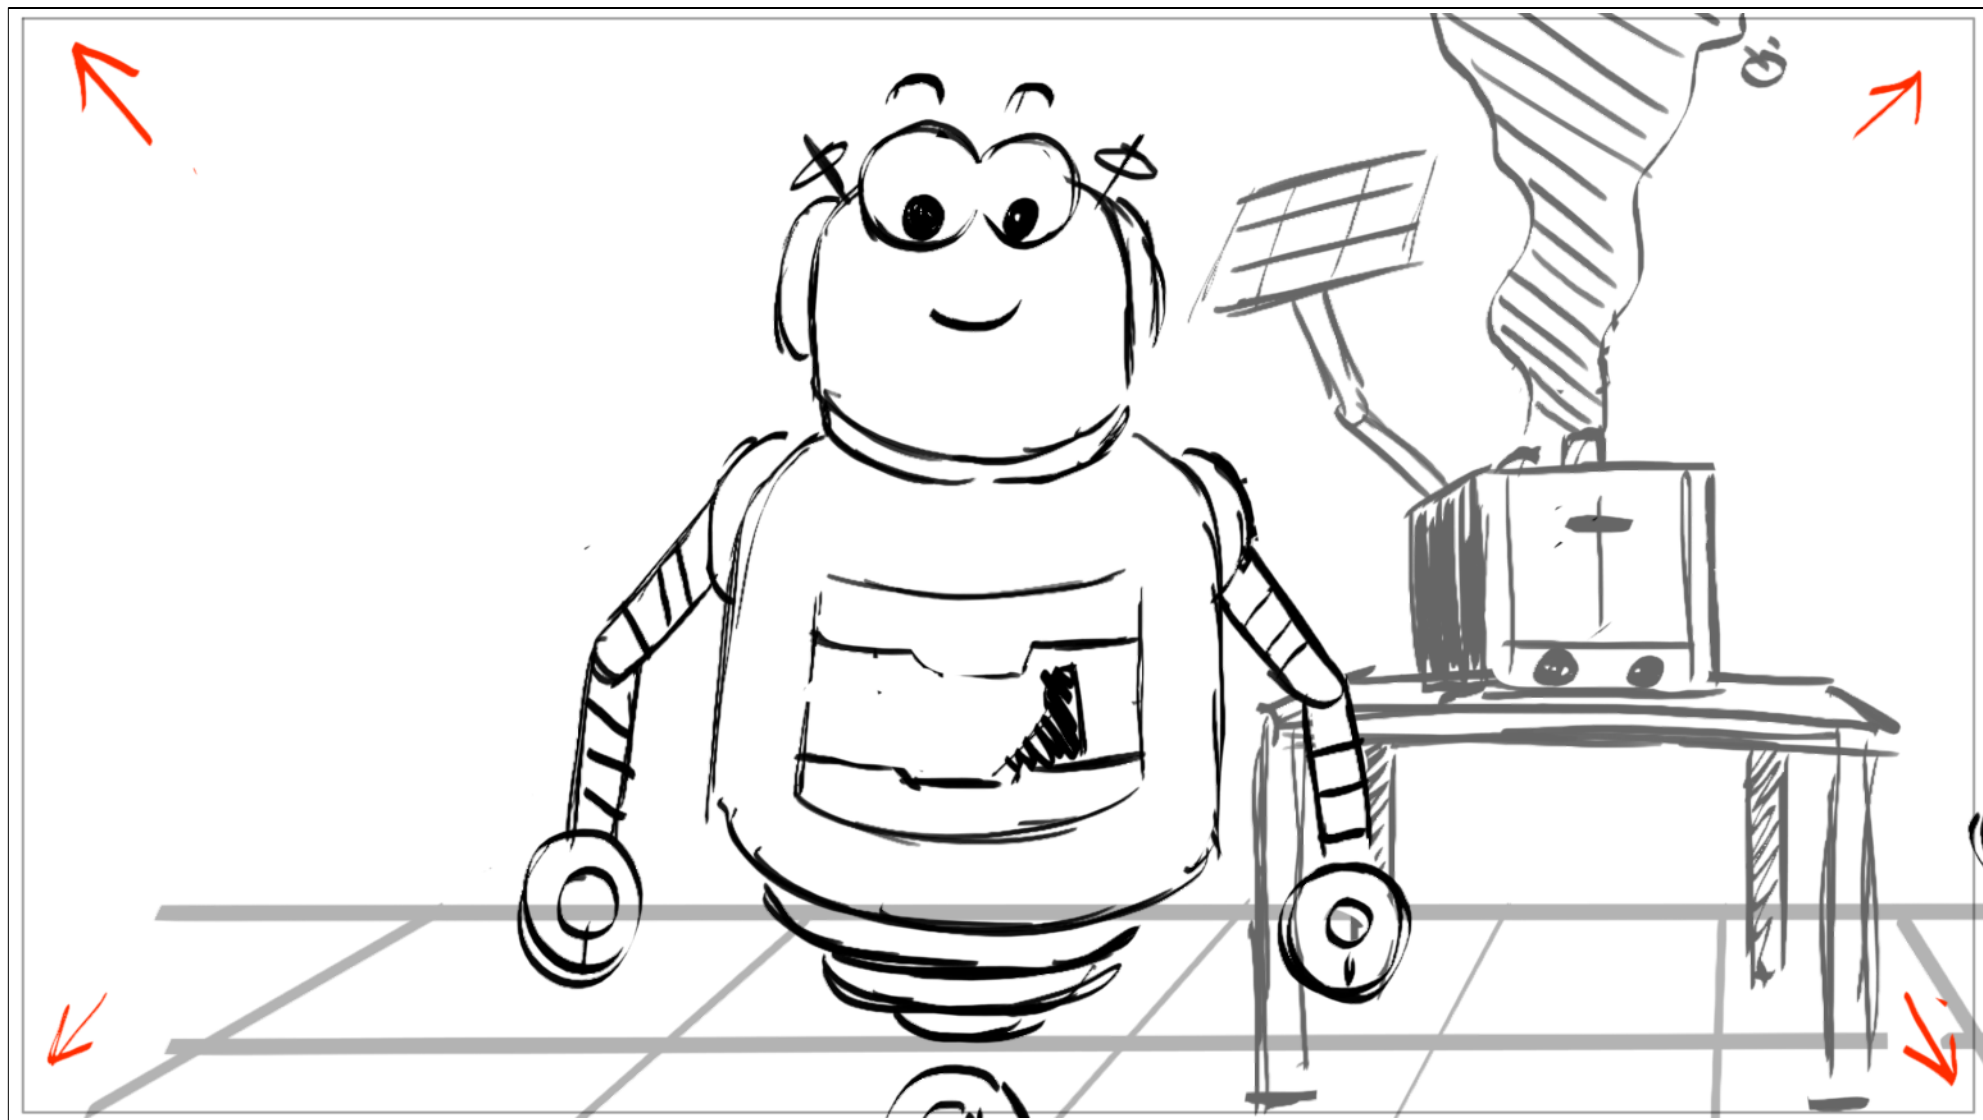

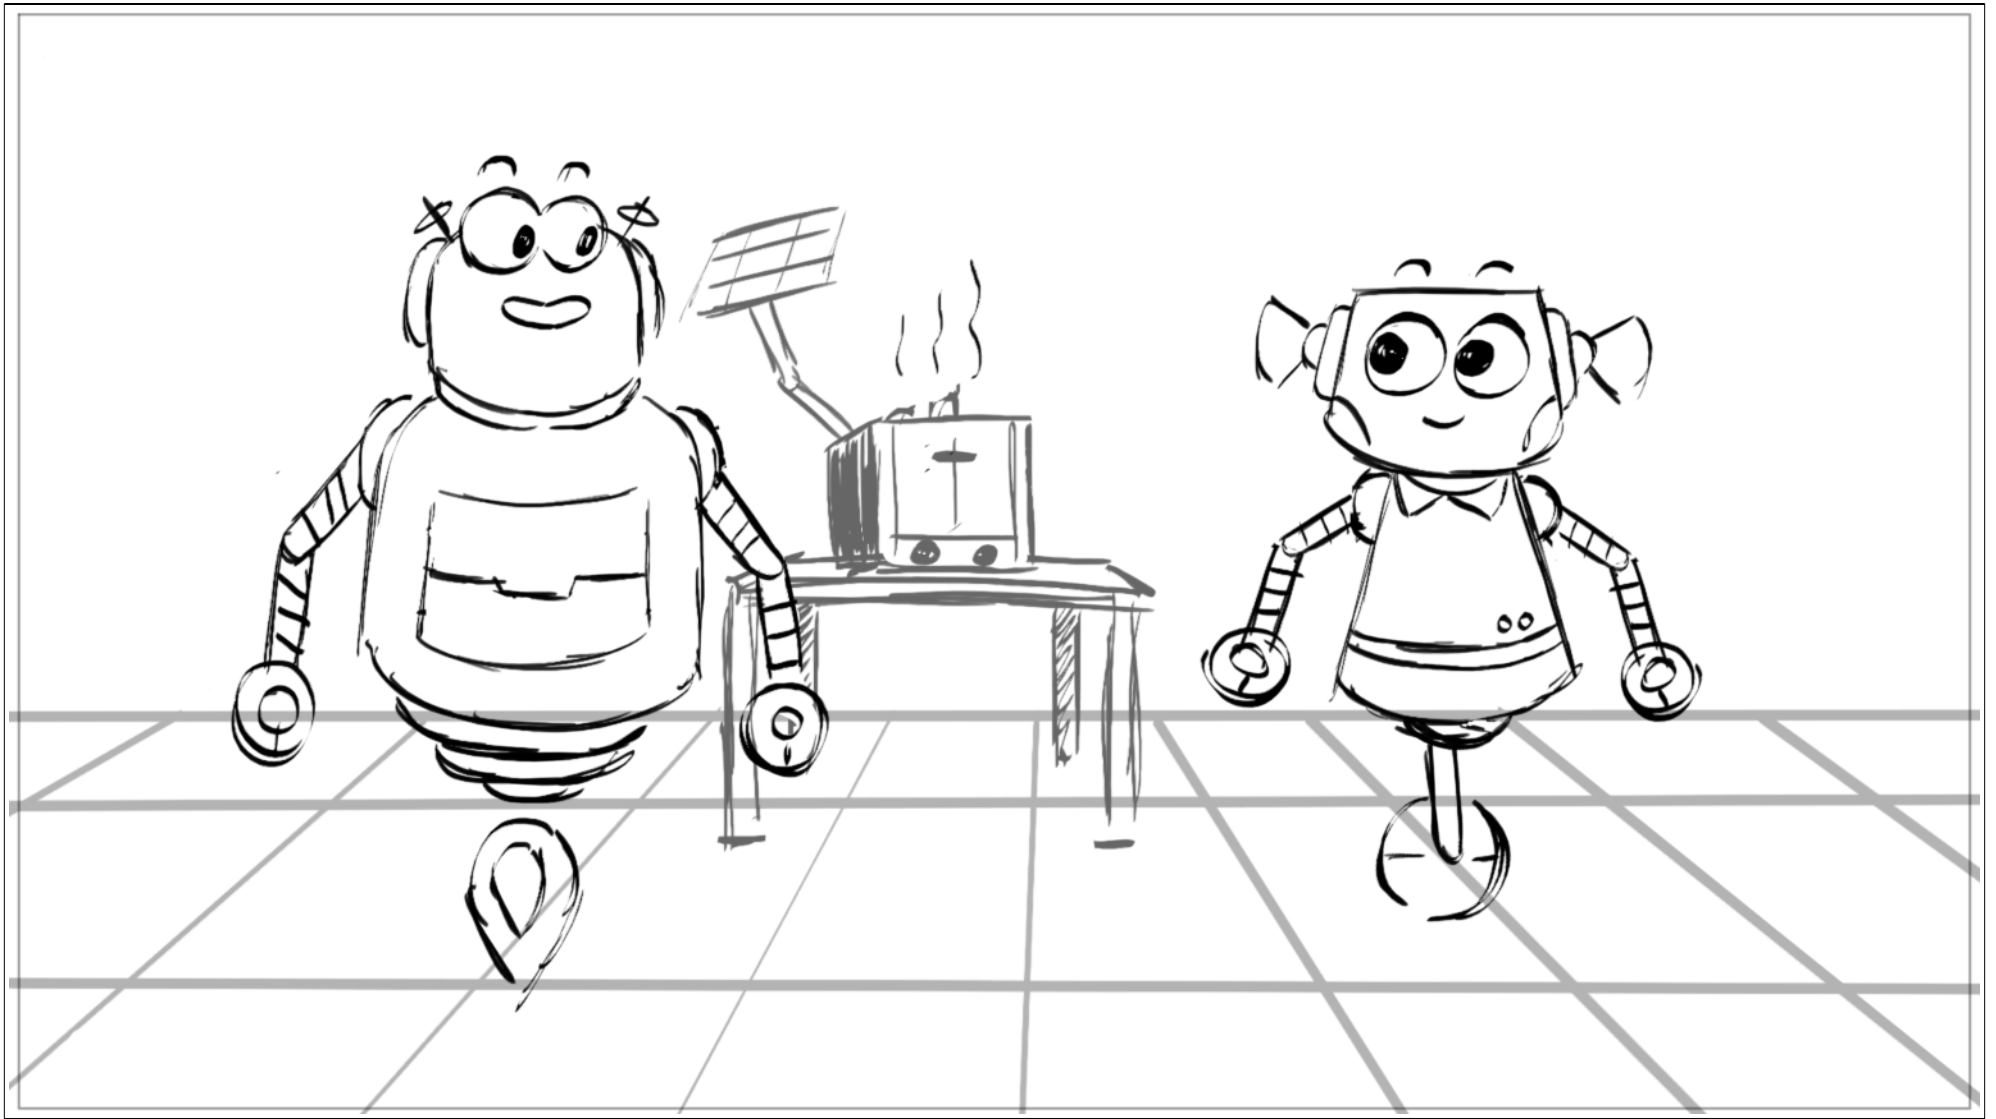

Dialog

Your family might even have a plan for what to do in case of a fire! That way, you'll always know what to do if you hear the alarm!

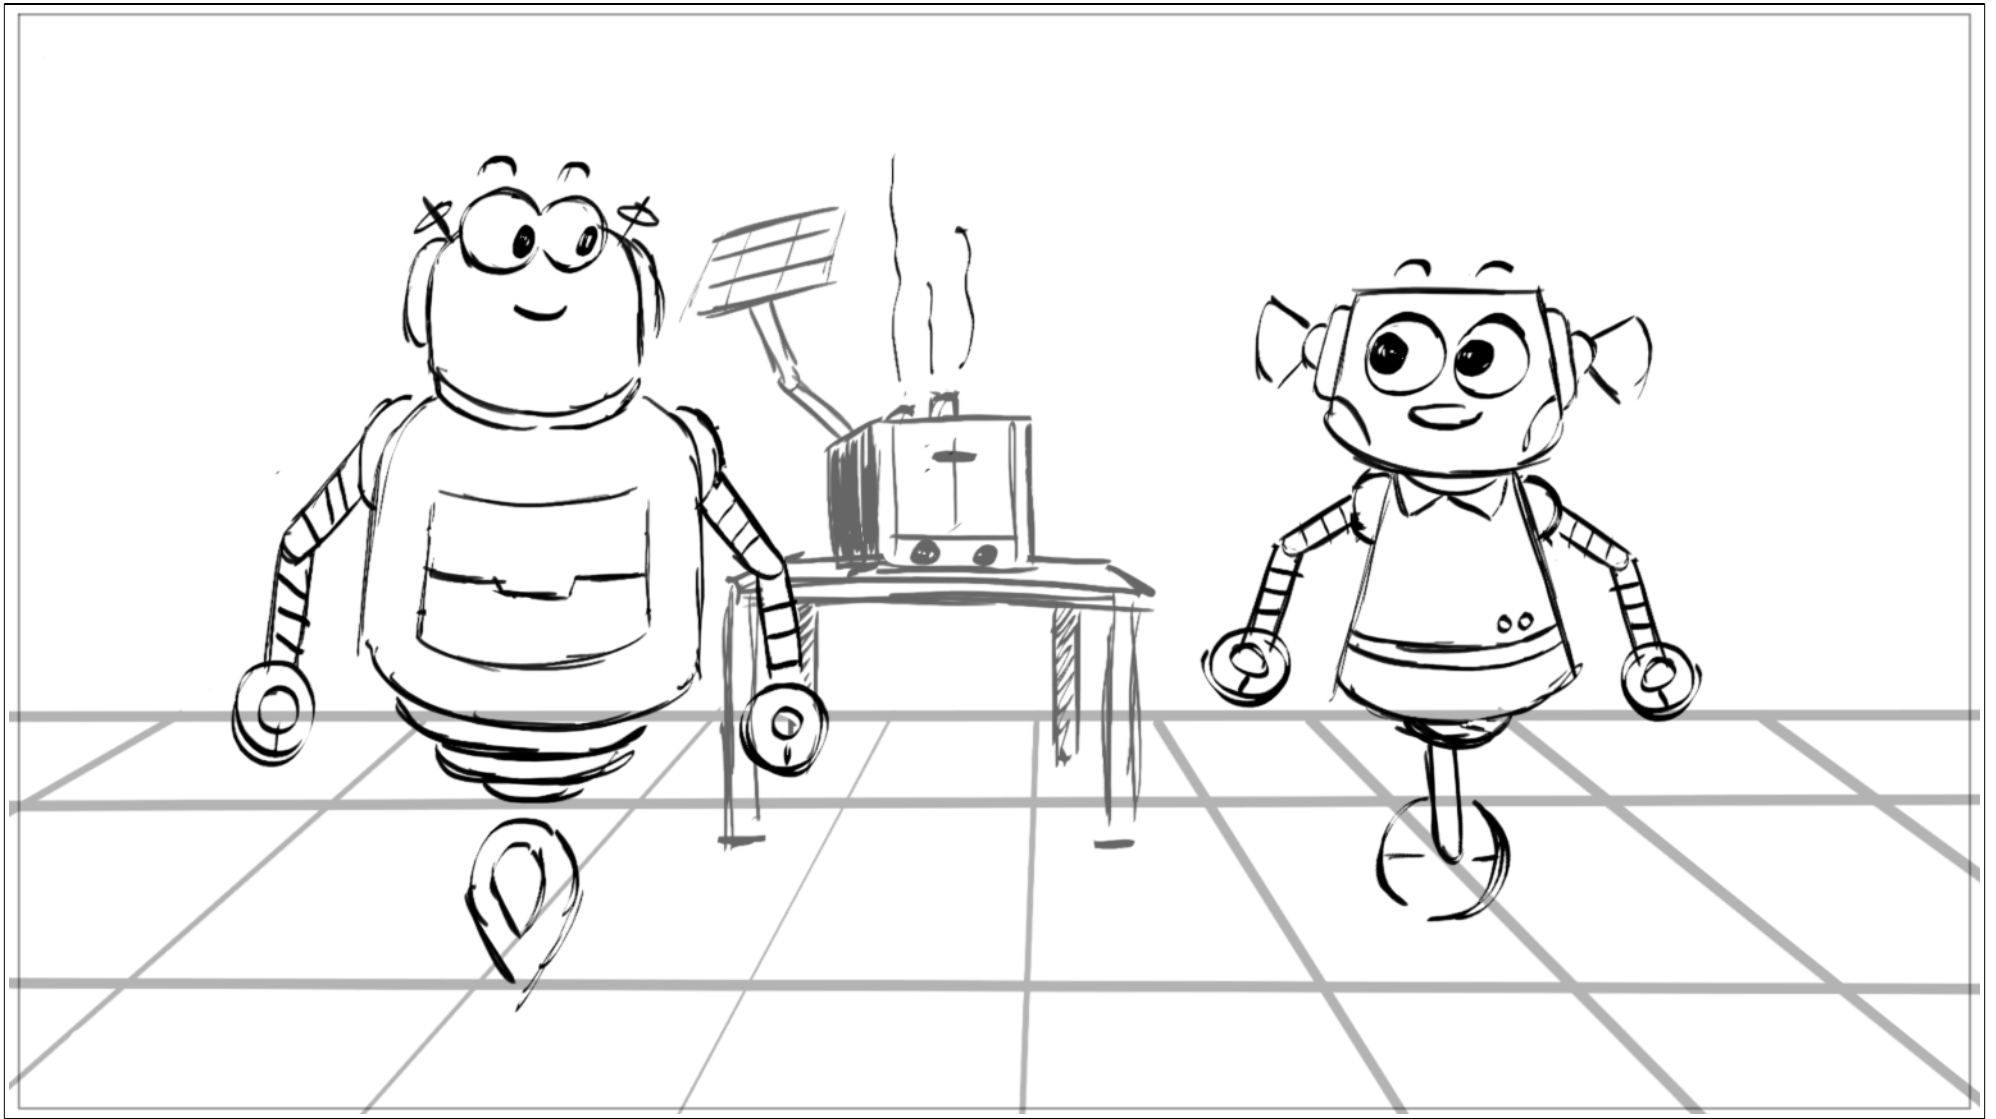

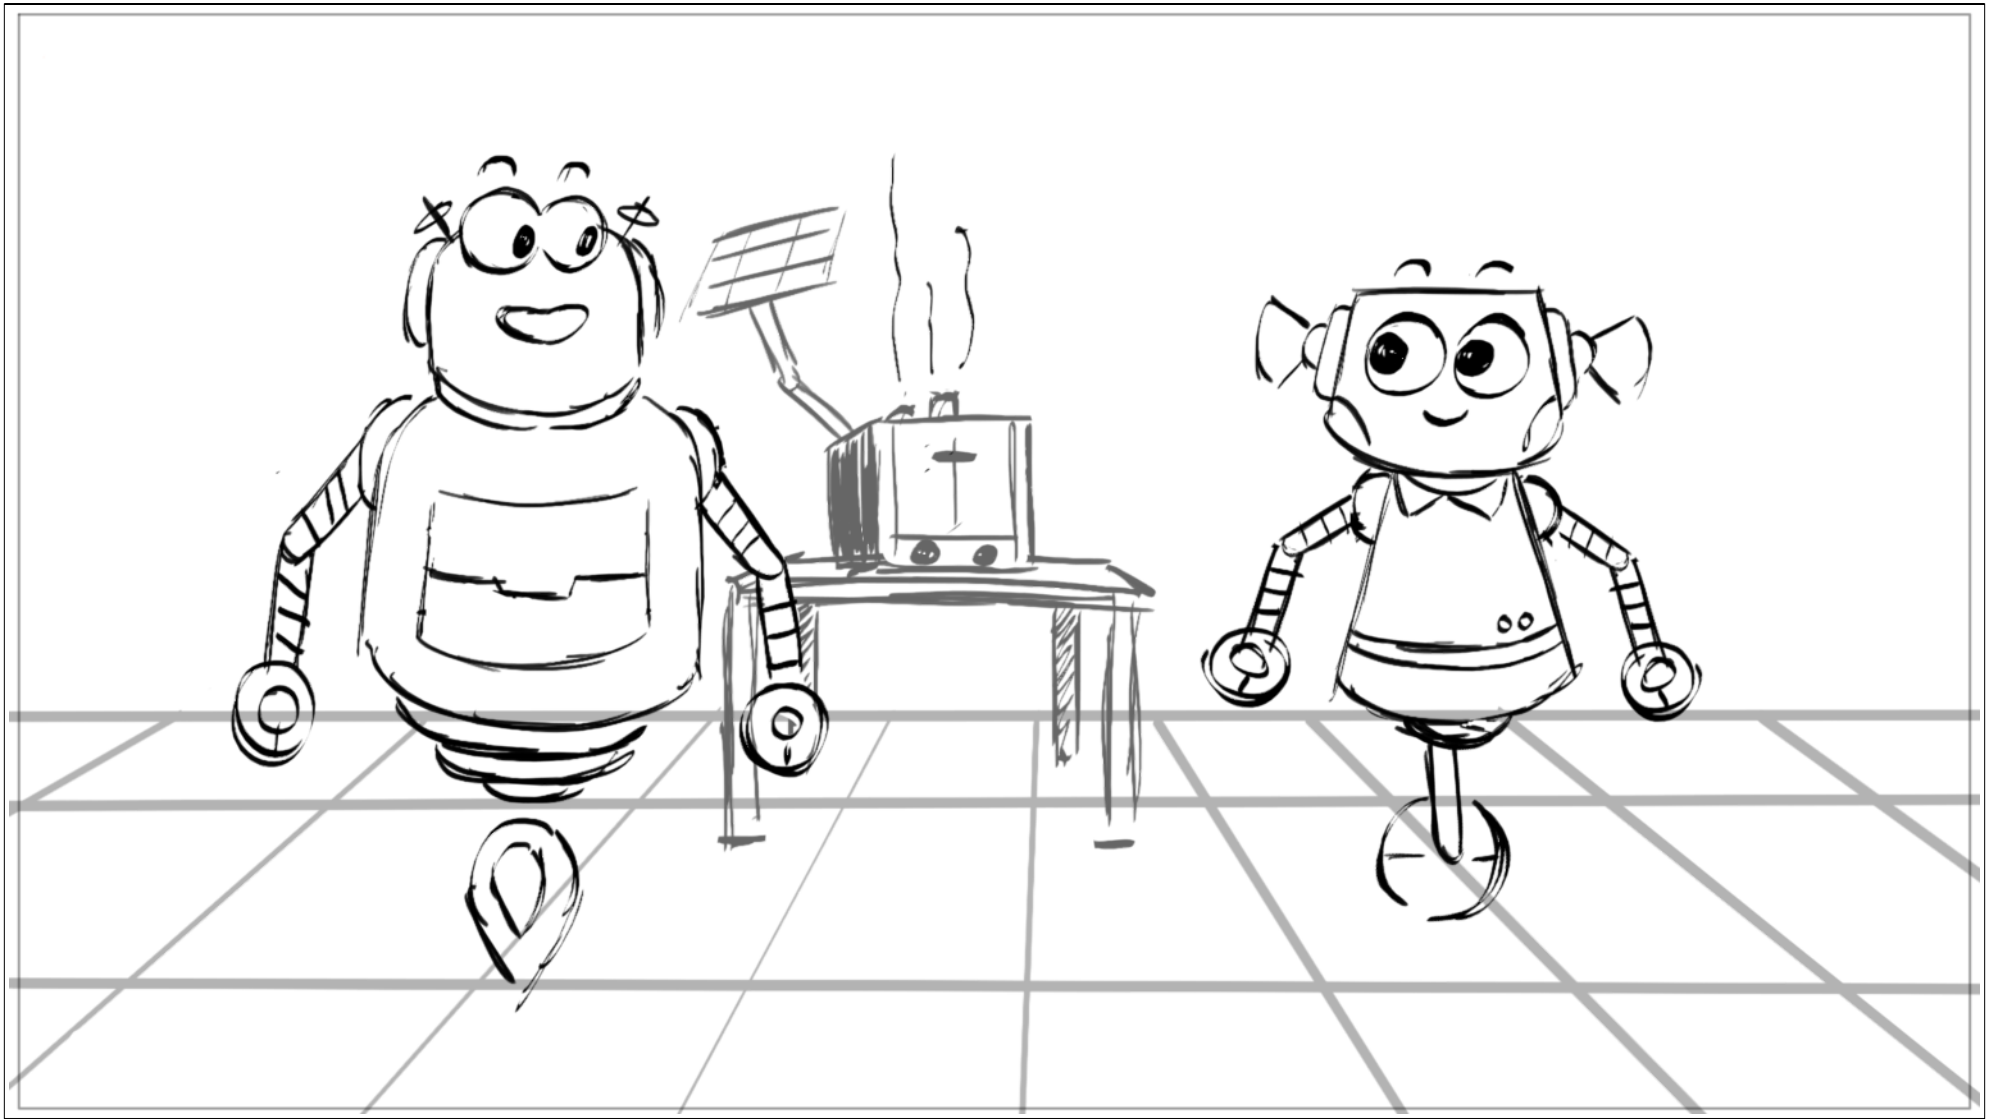

Dialog

Billy: Okay, I think I get it now!

Dialog

Penelope: Yeah, me too! I'm glad to know our smoke detector works so it can keep us safe!

Dialog

Billy: Now let's go ask a grown-up what to do next time we hear our smoke detector!
